

9TH ANNUAL PENNSYLVANIA PHYSICAL THERAPY ASSOCIATION NORTHCENTRAL DISTRICT GOLF TOURNAMENT

June 20, 2020

Dear Supporter of Physical Therapy Services,

The North Central District of the Pennsylvania Physical Therapy Association is pleased to announce we are hosting the **9th Annual NCD PPTA Golf Tournament** at White Deer Golf course on Saturday August 29, 2020. This event has continued to grow each year and is a great day of golfing that helps the promotion of Physical Therapy Services throughout our local community and the state of Pennsylvania. Last year, because of generous donations, over \$2000.00 was raised for our cause which included a \$500 donation to Camp Victory, a camp in Millville, PA that enhances the lives of children who experience chronic health problems or catastrophic illnesses, or who or physical or mentally disabled by providing encouragement and coping skills to manage their lifelong challenges.

We understand that the COVID 19 has placed significant strain on our local economy and our sponsors. As a thank you to our past donors, we are not asking for donations this year but asking our members and participants to support those businesses specially who have helped make this wonderful event so successful in the past. Board members will be visiting these businesses in the next few weeks to offer support and purchase gift cards for the tournament. Individuals or teams who wish to provide further support to both local businesses and the PPTA can also make donations of gifts cards or golf related items to the tournament and notify the board by completing the donation section on the player registration form.

Attached is a team registration form and a sponsorship registration form.

Thank you for your support and we look forward to the tournament. Please feel free to contact Don Shipe, DPT, NCD PPTA Vice Chair, at donaldfshipe@gmail.com or 570-847-6389 with any questions

Sincerely,

NCD PPTA Officers

Pennsylvania Physical Therapy Association
Saturday, August 29, 2020: 9am
White Deer Golf Course, Montgomery, PA: Heritage Course

Proceeds benefit the promotion of Physical Therapy services throughout our local communities and past sponsors and donors
